

ROYAL AUSTRALIAN ARTILLERY ABBREVIATIONS AND ACRONYMS

Daily life within the Army is punctuated with abbreviations and acronyms; however, they are a 'living' form and, like the English language, they change with time, due to a variety of reasons. The following are the Royal Regiment of Australian Artillery (and Artillery-related) abbreviations and acronyms, both past and present.

AA	Anti-Aircraft
AAD	Anti-Aircraft Defence
AADC	Anti-Aircraft Defence Commander
AALO	Anti-Aircraft Liaison Officer
AASL	Anti-Aircraft Search Light
AASWCC	Artillery and Air Strike Warning Control Centre
ACBO	Assistant Counter Battery Officer
ACG	Air Combat Group
Ack	acknowledge
Ack IG	See: AIG
ACM	Airspace Control Measures
ACO	Airspace Control Order / Air Contact Officer
ACP	Ammunition Control Point
ACPO	Assistant Command Post Officer
ACV	Armoured Command Vehicle
AD	Air Defence
ADA	Air Defence Area
ADAM	Area Denial Artillery Munition
ADCIS	Air Defence Command and Information System
Adj	Adjust
ADJT	Adjutant
ADLO	Air Defence Liaison Officer
AEW&C	Airborne Early Warning and Control
AFA	Australian Field Artillery
AFAB	Australian Field Artillery Brigade
AFATDS	Advanced Field Artillery Tactical Data System
AFDC	Artillery Fire Data Computer
AG	Air-Ground
AGA	Australian Garrison Artillery
AGOPS	Air Ground Operations
AGWTU	Army Guided Weapons Trials Unit
AI	Air Interdiction
AIG	Assistant Instructor-in-Gunnery (sometimes referred to as: Ack IG)
AL	Air Land
All Avail	All Available
ALI	Air Land Integration
ALT	Altitude
ALG	Air Lift Group
ALO	Air Liaison Officer
Air OP	Air Observation Post
AMC	At My Command
AMV	Adopted Muzzle Velocity
AO	Air Observer / Area of Operations
AOCC	Air Operations Coordination Centre
A of D	Angle of Departure
AOP	Air Observation Post
A of P	Angle of Projection
AOR	Area of Responsibility

A of S	Angle of Sight
AP	Ammunition Point / Armour Piercing
APCBC	Armour Piercing, Capped, Ballistic Capped
APCNR	Armour Piercing Composite Non-Rigid
APCR	Armour Piercing Composite Rigid
APDS	Armour Piercing Discarding Sabot
APHE	Armour Piercing High Explosive
APS	Automatic Positioning System
AP-T	Armour Piercing - Tracer
ARB	Air Burst Ranging
APTL	Air Portability Team Leader
Arty	Artillery
Arty Int	Artillery Intelligence
Arty Tac	Artillery Tactical Headquarters
Arty TT	Artillery Trade and Training
ASM	Artificer Sergeant-Major
ASMT	Artillery Survey Mathematical Tables
A-Tk	Anti-Tank
ATEP	Army Test and Evaluation Programme
ATGW	Anti-Tank Guided Weapon
ATI	Artillery Target Indication
AWCC	Air Warning Control Centre
AWD	Air Warfare Destroyer
AWDATS	Automatic Weapon Data Transmission System

BAC	Brigade Ammunition Column
BACP	Battery Ammunition Control Point
BAOR	Battery Area of Responsibility
BC	Battery Commander
BC Ack	Battery Commander's Assistant
BCP	Battery Command Post
BDFA	Brigade Division Field Artillery
BDR	Bombardier
BE	Base Ejection
BG	Battery Guide / Battle Group
Bg	Bearing
BGHA	Brigadier General, Heavy Artillery
BHQ	Battery Headquarters
BIP	Ballistic Impact Point
BK	Battery Captain
BL	Breech Loading
BLCP	Breech Loading - Central Pillar
BLO	Bombardment Liaison Officer
BMETS	Battlefield Meteorological System
BMRA	Brigade Major Royal Artillery
BP	Bearing Picket
BWX	beeswax
BOL	Breech Operating Lever
BOMREP	Bombing Report
BOP	Battery Observation Post
BP	Bearing Picket
BPR	Battery Plotting Room
BQMS	Battery Quartermaster-Sergeant
BSCP	Battery Safety Command Post
BSD	Burst Safe Distance
BSM	Battery Sergeant-Major
Bty	Battery

Bty L	Battery Left
Bty R	Battery Right
Bty Wksp	Battery Workshop
BWR	Basic Wind Report
C	Ballistic Coefficient
Co	Standard Ballistic Coefficient
CA	Coast Artillery
CAMC	Cancel At My Command
CAS	Close Air Support
CASL	Coast Artillery Searchlight
CB	Counter Battery / Counter Bombardment
CBF	Counter-Battery Fire
CBLO	Chief Bombardment Liaison Officer
CBO	Counter-Battery (Bombardment) Officer
CC	Collective Call / Chief Clerk / computing centre
CCD	Commander, Coast Defences
CCF	Crest Confidence Factors
CCMA	Commander, Corps Medium Artillery
CCU	Command and Control Unit
CDA	Commander, Divisional Artillery
CE	Composition Exploding
CES	Complete Equipment Schedule
CF	Covering Fire
CFN	Craftsman
Ch	Charge
CI	Chief Instructor
CLK Admin	Clerk Administration
CLU	Central Loading Unit
CO	Commanding Officer
CO/CI	Commanding Officer/Chief Instructor
C of A	Centre of Arc
C of M	Correction of the Moment
C of R	Commencement of Rifling
CMETS	Computerised Meteorological System
Comd	Command / Commander
CP	Command Post
CPO	Command Post Officer
CPOA	Command Post Officer Assistant
CPSF	Command Post Shooting Form
CPSO	Command Post Safety Officer
CPSU	Controller Power Supply Unit
CPV	Command Post Vehicle
CPX	Command Post Exercise
CR	Commencement of Rifling / Control Room
CRA	Commander, Royal Artillery (the term also used for the Commander, Royal Australian Artillery)
C-RAM	Counter Rockets Artillery Mortars
CRBBO	Catch Retaining Breech Block Open
CRC	Control and Reporting Centre
CRH	Calibre Radius Head
CS	Close Support
CSS	Combat Service Support
C/S	Call-Sign
CSBC	Close Support Battery Commander
CSG	Close Support Group
CTC	Console Tactical Control
CTR	Close Target Reconnaissance

CTT	Close Target Tracking
CVT	Controlled Variable Time
CWS	Common Weapon Sight
DA	Direct Action
D Arty	Director of Artillery (the term also used for the Director, Royal Australian Artillery)
DAC	Divisional Ammunition Column
DAER	Daily Ammunition Expenditure Rate
DAIO	Divisional Artillery Intelligence Officer
dAlt	Difference Altitude
DAP	Divisional Ammunition Park
DASO	Divisional Artillery Survey Officer
DC	Danger Close
DCBO	Divisional Counter-Bombardment Officer
DCC	Displacement Correction Calculator
DDU	Data Display Unit
dE	difference in eastings
Deg	Degree
Det	Detachment
Det Cmdr	Detachment Commander
DF	Defensive Fire
DF (SOS)	Defensive Fire (SOS)
DF Tasks	Defensive Fire Tasks
DFC	Depth Fire Call
DGPS	Differential Global Positioning System
dHt	difference in height
Dist	Distance
DO	District Officer
Dn	Direction
dN	difference in northings
DP	Departure Point / Departure Priority
DPF	Depression Position Finder
DP-ICM	Dual Purpose Improved Conventional Munition
DRA	Director Royal Artillery
DRF	Depression Range Finder
DS	Direct Support
DSL	Depression Sight Line
DTG	Date/Time Group
DZ	Drop Zone
ECM	Electronic Counter Measures
ECCM	Electronic Counter - Counter Measures
ECN	Employment Category Number
ECW	Equivalent Constant Wind
EFC	Equivalent Full Charge
Elev	Elevation
EM	End of Mission
EMEIs	Electrical and Mechanical Engineers Instructions
EOD	Explosive Ordnance Disposal
EPGM	Excalibur Precision Guided Munition
EPIAFS	Enhanced Portable Inductive Artillery Fuze Setter
EPLRS	Enhanced Position Locating Radio System
EVA	Electronic Velocity Analyser
FA	Field Artillery
FAAD	Forward Area Air Defence System
FAADC	Forward Area Air Defence Command and Control

FAB	Field Artillery Brigade
FABS	Field Artillery Back-up System
FAC	Forward Air Controller
FACE	Field Artillery Computer Equipment
FAP	Forward Ammunition Point
FBA	Field Branch Artillery
FC	Fire Commander / Fire Control
FCC	Fire Control Centre
FCS	Fire Control System
Fd	Field
FDC	Fire Direction Centre
FDT	Fire Direction Table
FEBA	Forward Edge of the Battle Area
FFE	Fire for Effect
FFR	Fitted for Radio
FG	Field Gun
FLOT	Forward Line of own troops
FM	Fire Mission (eg. FM Bty – Fire Mission Battery / FM Regt – Fire Mission Regiment, etc)
FNH	Flashless non-hygroscopic
FO	Forward Observer
FO Ack	Forward Observer's Assistant
FOO	Forward Observation Officer
FOP	Forward Observation Party / Forward Observation Post
FOU	Forward Observation Unit
FP	Firing Point / Fire Plan
FPC	Fire Planning Cell
FPF	Final Protective Fire
FPR	Fortress Plotting Room
FS	Fuze setting
F of S	Fall of Shot
fs	Feet per Second
FS	Flash Spotting
FSB	Fire Support Base
FSCC	Fire Support Coordination Centre
FSCCL	Fire Support Coordination Line
FSCM	Fire Support Coordination Measure
FSOP	Flash Spotting Observation Post
FSPB	Fire Support Patrol Base
F Sp	Flash Spotting
FST	Fire Support Team
FT	Firing Table
FU	Fire Unit
FUP	Forming-up Place
FWR	Fitted with Radio
GA	Garrison Artillery / Gun Area
GAC	Gun Area Commander / Gun Angle Control
GAK/1	Gyroscopic Orientor GAK/1
G-AMB	Giraffe Agile Multi-beam (radar)
GAP	Gun Aiming Point
GBAD	Ground-Based Air Defence
GBAMD	Ground-Based Air and Missile Defence
GCI	Graphical Control Instruments
GCT	Graphical Corrector Table
GD	Gun Drill
GDATS	Gun Data Automatic Transmission System
GF	Gun Fire

GFT	Graphical Firing Tables
GH	Gun/Howitzer
GL	Gun Laying / Ground Liaison
GLO	Ground Liaison Officer
GLPS	Gun Laying and Positioning System
GLS	Gun Laying System
GLSC	Gun Line Section Commander
GMA	Grid Magnetic Angle
GMAT	Guided Missile Ammunition Technician
GMT	Greenwich Mean Time
GNR	Gunner
Gny	Gunnery
GOP	Gun Observation Post
GP	Gun Position / General purpose
GPO	Gun Position Officer
GPSO	Gun Position Safety Officer
GPS	Global Positioning System
GR	Grid Reference
GS	Gunnery Staff / Grid Square / General Support
GT	Gun to Target
GTL	Gun – Target Line
GTV	Gun Towing Vehicle
GW	Guided Weapon

HA	Heavy Artillery
H/A	High Angle
HAA	Heavy Anti-Aircraft
HAD	Heavy Air Defence
HAG	Heavy Artillery Group
HB	Hostile Battery
HE	High Explosive
HEAT	High Explosive - Anti-Tank
HEI	High Explosive Incendiary
HEP	High Explosive Plastic
HEP-T	High Explosive Plastic - Tracer
HERA	High Explosive Rocket Assisted
HESH	High Explosive – Squash Head
HF	Harassing Fire / High Frequency
HFR	Height and Range Finder
H & I	Harassing and Interdiction Fire
HOB	Height of Burst
HOR	Head of Regiment
How	Howitzer
HP	Hydro Pneumatic / Horizontal Plane
HQ	Headquarters
hr	Hour
Ht	Height
HV	High Velocity
HVAP	High Velocity Armour Piercing
HVFC	High Velocity Full Charge
Hvy	Heavy

IA	Immediate Action
IADS	Integrated Air Defence System
ICC	Information Coordination Centre
ICV	Individual Compass Variation
ICE	Individual Compass Error

IDF	Indirect Fire
IDFU	Indirect Fire Unit
IG	Instructor-in-Gunnery
Illum	Illumination
INCREP	Incident Report
Int	Intelligence
INTREP	Intelligence Report
INTSUM	Intelligence Summary
IO	Intelligence Officer
IPB	Intelligence preparation of the Battlefield
ISGC	Intercommunication Set Gun Control
ISR	Intelligence, Surveillance Reconnaissance
ISTAR	Intelligence, Surveillance, Target Acquisition and Reconnaissance
ISTAREW	Intelligence, Surveillance, Target Acquisition Reconnaissance Electronic Warfare
JACC	Joint Airspace Control Centre
JAOC	Joint Air Operations Centre
JAOP	Joint Air Operations Plan
JFECC	Joint Fires and Effects Coordination Centre
JFO	Joint Forward Observer
JFT	Joint Fires Team
JHQ	Joint Headquarters
JOST	Joint Offensive Support Team
JOSTCC	Joint Offensive Support Team Coordination Centre
JTAC	Joint Terminal Air Controller
L/A	Low Angle
LAA	Light Anti-Aircraft
LAACC	Light Anti-Aircraft Control Centre
LAAG	Light Anti-Aircraft Gun
LAD	Light Aid Detachment / Light Air Defence
LASER	Light Amplification by Stimulated Emission of Radiation
LASO	Launch Area Safety Officer
Lat	Latitude
LBDR	Lance Bombardier
LBM	Lever Breech Mechanism
LCMR	Lightweight Counter Mortar Radar
L of D	Line of Departure
LDA	Launch Danger Area
LDP	Launcher Data Processor
LFH	Light Field Howitzer
LFX	Live Firing Exercise
LGSC	Long Gunnery Staff Course
Line GT	Line Gun-to-Target
Line OT	Line Observer-to-Target
LLAD	Low Level Air Defence
LN	Met(eorology) Line Number
LO	Liaison Officer
LOC	Lines of Communication / Location / Locating
Loc Bty	Location Battery
LOCFIX	Location Fixation Request
LOCREP	Locating Report
LOCSTAT	Location Statement
L of S	Line of Sight
LRF	Laser Range Finder
LRWE	Long Range Weapons Establishment
LRWO	Long Range Weapons Organization

Lt	Light
LTSDT	Line to Shoot-Down-To
LU	Launcher Unit
LWR	Line of Weapon Release
LZ	Landing Zone
MA	Maintenance Area / Magnetic Angle
MACS	Modular Artillery Charge System
MAINTDEM	Maintenance Demand
md	Mean Deviation
MDA	Muzzle Danger Area
Mdm	Medium
MDP	Meteorological Datum Plane
MET	Meteorology
MFC	Mobile Fire Controller / Mortar Fire Controller
MFDC	Mortar Fire Direction Centre
MG	Master Gunner
Mk	Mark
ML	Muzzle-Loading
Mor	Mortar
MORTREP	Mortaring Report
MOV CLK	Movements Clerk
MPB	Mortar Base Plate
MPB	Mean Point of Burst
MPI	Mean Point of Impact
MR	Map Reference
MRS	Multiple Rocket System
M/S	Metres per Second
MSD	Minimum Safe Distance
MSFS	Minimum Safe Fuze Setting
Msl	Missile
Msn	Mission
MT	Mechanical Time
MTF	Mechanical Time Fuze
MV	Muzzle Velocity
MVMD	Muzzle Velocity Measuring Device
NBC	Nuclear, Biological and Chemical
NBLO	Naval Bombardment Liaison Officer
NBSD	Normal Burst Safety Distance
NCO	Non-Commissioned Officer
NDP	Night Defensive Position
NFA	No Fire Area
NFS	Naval Fire Support
NFSO	Naval Fire Support Officer
NGSLO	Naval Fire Support Liaison Officer
NGS	Naval Gunfire Support
NMB	No Move Before
NR	Non-rigidity of Trajectory
NSD	Normal Safe Distance
OAS	Offensive Air Support
OC	Officer Commanding
OCF	Operations Confidence Facility
OFC	Operational Fire Controller
OFOF	Orders for Opening Fire
OIC	Officer-in-Charge

OME	Ordnance Mechanical Engineer
OP	Observation Post
Op	Operator
OPA	Observation Post Assistant
OPO	Observation Post Officer
OPCOM	Operational Command
OPCON	Operational Control
OPCP	Operator Command Post
OPCP FD	Operator Command Post (Field)
Op Orders	Operation Orders
OPS	Operations
OPSO	Operations Officer
OPDEM	Operational Demand
ORBAT	Order of Battle
OS	Offensive Support
OT	Observer to Target
PA	Primary Arc
PADS	Position and Azimuth Determining System
PC	Provisionally Condemned
PD	Point Detonating
Pdr	Pounder
PDS	Position Determining System
pe	Probable error
PEA	Preferred Engagement Arc
PEFCS	Portable Excalibur Fire Control System
PEr	Probable Error for Range
P&EE	Proof and Experimental Establishment
PF	Position Finder
PFA	Permitted Fire Area
PGK	Precision Guidance Kit
PGM	Precision Guided Munition
PH	Pack Howitzer
PHR	Predicted Horizontal Range
PL	Predicted Line
PLU	Programme Loading Unit
PO	Plotting Officer
POA	Point of Aim
POE	Point of Entry
POL	Petrol, Oils and Lubricants / Petroleum, Oils and Lubricants
PPI	Plan Position Indicator
PPS	Precise Position System
PR	Predicted Range
psi	Pounds per Square Inch
PSTAR-ER	Portable Surveillance Target Acquisition Radar – Extended Range
PSU	Power Supply Unit
PTI	Physical Training Instructor
PZ	Pick-up Zone
QE	Quadrant Elevation
QF	Quick Firing
QFC	Quadrant Fire Control
QM	Quartermaster
RAA	Royal Regiment of Australian Artillery
RAA (M)	Royal Australian Artillery (Militia)
RAEME	Royal Australian Electrical and Mechanical Engineers

RAFA	Royal Australian Field Artillery
RAGA	Royal Australian Garrison Artillery
RAP	Rocket Assisted Projectile
RAT	Record as Target
RBAA	Reserve Brigade Australian Artillery
RBL	Rifled Breech Loading
RBS	Robotic Bofors System
RBSD	Reduced Burst Safety Distance
RCL	Recoilless
RCO	Range Conducting Officer
RCP	Regimental Command Post
RCS	Rapier Control System
Rd	Round
RDR	Radar
Rds C	Rounds Complete
RDX	Research Department Formula X
Regn	Registration
Rdy	Ready
RECON	Reconnaissance (also known as: RECCE)
Regt	Regiment
Regt Net	Regimental (radio) Network
Rel Pt	Release Point
RF	Radio Frequency
R/F	Range Finder
RFU	Rapier Fire Units
Rge	Range
RHQ	Regimental Headquarters
RI	Range Indicator
RISTA	Reconnaissance, Intelligence, Surveillance and Target Acquisition
RL	Rocket Launcher
RLO	Range Liaison Officer
RMG	Regimental Master Gunner
RML	Rifled Muzzle Loading
RMO	Regimental Medical Officer
RMV	Reduced Muzzle Velocity
RO	Routine Orders / Reference Object
ROBC	Regimental Officer Basic Course
ROE	Rules of Engagement
ROF	Rate of Fire
rpg	Rounds per Gun
RO	Reference Object
ROE	Rules of Engagement
ROF	Rate of Fire
ROG	Regimental Officers' Gunnery Course
ROT	Rotation of the Earth
RP	Registration Point
rpm	Rounds per Minute
rpgpm	Rounds per Gun per Minute
Rpt	Repeat
RQMS	Regimental Quartermaster-Sergeant
RSD	Reduced Safe Distance
RSM	Regimental Sergeant-Major
RSO	Regimental Survey Officer
RT	Range Table / Radio Telegraphy
RTO	Regimental Transport Officer
RV	Rendezvous

SAGW	Surface to Air Guided Weapon
SAM	Surface-to-Air Missile
SAP	Semi-Armour Piercing
SB	Smooth Bore / Siege Battery
SBLO	Senior Bombardment Liaison Officer
SBML	Smooth Bore Muzzle Loading
SBMM	Standard Ballistic Meteorological Message
SC	Shaped Charge
SCAO	Shelling Connection Activity Overlay
SCP	Survey Control Point
SCRA	Staff Captain, Royal Artillery (the term was also used in the Royal Australian Artillery)
SD	Safe Distance
SDP	Surveillance Data Processor
SEAD	Suppression of Enemy Air Defence
Sect	Section
Sect Cmdr	Section Commander
SFCP	Shore Fire Control Party
SHELLREP	Shelling Report
SHMA	Suspected Hostile Mortar Area
SI	Senior Instructor
SIG	Signaller
SIM	Simultaneous
SITREP	Situation Report
SL	Search Light
SLC	Searchlight Control
SMArt (155)	Sensor-fuzed Munition for Artillery (155mm)
SME	Subject Matter Expert
SMIG	Sergeant-Major Instructor-in-Gunnery
SMK	Smoke
SO	Standing Orders
SOIs	Signal Operation Instructions
SOP	Standing Operational Procedure
S of A	School of Artillery
SOB	Staff Officer Bombardment
SOIs	Standard Operating Instructions
SORA	Staff Officer Royal Artillery (the term also used in the Royal Australian Artillery)
SOS	Emergency Fire Task
SP	Self-propelled
SPHR	Standard Predicted Horizontal Range
Spt	Support
SQ	Super Quick
SQVT	Super Quick – Variable Time
SR	Sound Ranging (see: SRg)
SRC	Survey Report Centre
SRCP	Sound Ranging Command Post
SRG	Surveillance and Response Group
SRg	Sound Ranging (see: SR)
SRP	Survey Reference Point
SRR	Surveillance Radar Receiver
SSC	Sector Searchlight Commander
SSD	Safe Splinter Distance
SSF	Standard Safety Factor
ST(L)	Service Target (Land)
STA	Surveillance and Target Acquisition
STAMET	Safe Target Area Adjusted for Meteorological Conditions
S to S	Surface to Surface
SU	Station Unit

SUD	Setting-up Data
Svy	Survey
Svy Tp	Survey Troop
TA	Target Acquisition
TAC	Tactical Air Controller
TaCCS	Tactical Command and Control System
TACHHQ	Tactical Headquarters
TAOR	Tactical Area of Responsibility
TARA	Technical Assistant – Royal Artillery (the term was also used in the Royal Australian Artillery)
TBI	Target Bearing Indicator
TC	Troop Commander (see: Tp Cmdr) / Terminate Control
TCP	Troop Command Post
TCR	Tactical Control radar
TDA	Target Damage Analysis / Trajectory Danger Area
TE	Tangent Elevation
TFAIO	Task Force Artillery Intelligence Officer
TFD	Table Fire Direction
TFT	Tabular Firing Tables
Tgt / TGT	Target
TKA	Tank Attack
TNT	Trinitrotoluene
TNL	Target Nomination List
TOF	Time of Flight
TOT	Time-on-Target
TP	Target Practice
Tp	Troop
Tp Cmdr	Troop Commander
Tp Ldr	Troop Leader
TPT	Transport
TPU	Tracker Processing Unit
TPP	Time Past a Point
TSM	Troop Sergeant-Major
TTBR	Time to be Ready
TTU	Telegraph Terminal Unit
2IC	Second-in-Command
TUAS	Tactical Unmanned Aerial System
UAS	Unmanned Aerial System
UAV	Unmanned Aerial Vehicle / Uninhabited Aerial Vehicle
UEO	Unit Emplaning Officer
UFO	Unit Fire Officer
UHF	Ultra High Frequency
U/S	Un-serviceable
UXB	Unexploded Bomb
UXO	Unexploded Ordnance
VA	Vertical Angle
VCP	Vehicle Check Point
VHF	Very High Frequency
VM	Vehicle Mechanic
VOD	Velocity of Detonation
VP	Vulnerable Point
VT	Variable time
WAVES	Wireless Audio Visual Emergency System Network
WFZ	Weapons Free Zone

WKSP	Workshops
WL	Wagon Lines
WLO	Wagon Lines Officer
WLR	Weapons Locating Radar
Wng	Warning
WNGO	Warning Order
WOG	Warrant Officer Gunnery Course
WP	White Phosphorus
WPN	Weapon
WRE	Weapons Research Establishment
YO	Young Officer (ie. Young Officers' Course – later referred to as: Regimental Officer Basic Course)
